Winning souls through the love of God
Restoring the beauty of Rwanda – its people – one heart at time

Greetings in the wonderful name of Jesus! The fall season has begun, the time we traditionally think of harvest. The year of 2009 has been one of sowing and reaping in the kingdom of God as thousands in Rwanda have heard the Gospel and received Jesus as Lord and Savior. THANK YOU! Your support for us and Send Me International has brought a harvest of souls all year long. Your seeds of prayer and financial support mean thousands have exchanged joy for sorrow, peace for torment, hope for despair, and healing for sickness of body and mind. There is much work still to be done to bring the Good News to those who have not yet heard about our loving, forgiving Savior, the tender Shepherd Who continues to seek the lost sheep.

A New Website & Video

Our hearts long to return to Rwanda, but our time in the U.S. continues to be fruitful and is part of God's plan for this ministry. We are laying a foundation of prayer for the work that awaits us when we return home to Kigali, the Rwandan capital. We have been sharing at different churches and to various groups. We also recently launched our ministry website, www.sendmeintl.com, thanks to the donation of creative services from a supporter. Please visit the website and tell us what you think. If there is something you would like to see included on the website, please let us know. Several supporters told us they would like to give online, so a donation feature is included to allow credit card giving.

One of the highlights of our time in Tulsa has been the gift of a video about Send Me International that was filmed and produced thanks to the generosity of one of our supporters. It is amazing to see how God uses the different gifts in the Body of Christ, matching a financial gift with a talented videographer. We never imagined that someone could tell our story in such a powerful way and capture the essence of God's call on our lives. This new 6-minute video is available for viewing at the homepage of our website and we invite you to tell friends and family to watch it. If you would like to have a DVD of the video, please contact us by email or letter and we will gladly send you one without cost.

Upcoming Projects

Upon our return, our priority projects are starting the remaining six International Victory Bible Institute programs in the Kigali prisons; accelerating the Children's School Project to provide tuition and basic necessities for children to receive a year of schooling; printing "This New Life" in the local language (translation is complete); scheduling pastors and leaders conferences; and pursuing opportunities to share the Gospel in rural churches and communities.

Another Bicycle Story

In our last newsletter – the story is now posted on our website – we shared how helping a man with a simple, inexpensive bicycle repair opened a door to minister and share the love of God. Every day, no matter where we are, we look for God's divine appointments.

Bicycles are a vital means of transportation in Rwanda and most are a far cry from the sleek recreational bikes we see in America. We met the man you see pictured with Parfait as we were traveling to preach in a rural area. The man's bicycle is made totally of wood and he earns his livelihood transporting goods that are going downhill. On the downhill run, he rides

the bicycle, then he pushes the bike uphill for another load, earning about 10 cents for each round trip that covers over four miles. We were curious about the bicycle and stopped to ask him about it. As we got acquainted, we were able to share the Gospel and lead him to Jesus. He was so excited to know that he will go to heaven!

We love you and appreciate you for your faithfulness.

In His Love, *Michelle and Parfait*

Thank You & God Bless You

Many have asked when we are returning to Rwanda. We praise God that we have reached 70% of our financial goal to travel back to Africa, based on your giving and pledges of monthly support. As soon as the remaining funds are received, we will book our flight. We are confident that the Lord will speak to you as you prayerfully consider what to give to help us reach our goal and we ask you to tell our story to others who may wish to partner with us.

We are deeply grateful for each of you and your support in prayer and financial giving. We are praying for you to fulfill God's call on your life, just as your partnership allows us to fulfill His call on our lives. We are believing God for more monthly supporters, as those commitments help us better plan our future work. If you are not already a supporter of Send Me International, we invite you to join us in reaching more people for Jesus. Whatever you can give is greatly appreciated and no gift is too small. Enclosed is an envelope outlining how you can partner with us. Please use the back of the form to include your praise reports or prayer requests. Thank you for your prayers, love, sacrifices, and gifts.
